NOTICE TO MARINERS.

WITH reference to the Notice to Mariners, dated the 24th September, 1859, drawn up by Captain Richards, of H. M. Ship Plumper, and published in the GOVERNMENT GAZETTE of the 1st October, 1859, describing the position of the Buoys laid down at the entrance of Fraser River; the Buoys therein, consecutively numbered 2, 4 and 7, having recently shifted their position, have been replaced as follows:

2.—The North Sand Head Buoy, placed in same position, and painted in Black and White vertical lines. Spar Buoy moored in 11 feet low water, and can be seen 4 or 5 miles off.

4.—Is placed about a Cable's length nearer the mouth of the Channel, than former position. Spar Buoy moored in 11 feet low water, painted Black and White horizontal bands.

7.—White Spar Buoy moored in 10 feet at low water. Vessels drawing over 10 feet, should not approach this Buoy nearer than half a Cable's distance.

The rest of the Buoys mentioned by Captain Richards, in that notice, remain in the positions therein described.
